## FOR PARENTS/GUARDIANS

### Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Boys & Girls Clubs of [NAME] ("Club") has put in place preventative measures to reduce the spread of COVID-19; however, the Club **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the Club could increase** your risk and your child(ren)'s risk of contracting COVID-19.

.....

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

**Dear Parent or Guardian,**

Congratulations! Your student is invited to participate in Wisconsin After 3.

### What is Wisconsin After 3?

**Wisconsin After 3 is funded by the State Department of Children and Families and utilizes two highly acclaimed programs that boost positive youth outcomes by increased reading and math fluency and career preparedness.**

#### **Power Hour – Making Minutes Count:**

The Boys & Girls Clubs will improve the reading and math fluency levels for all participants implementing the **Power Hour: Making Minutes Count** program which contains the following components:

1. **Homework help and tutoring program** for youth ages 6 to 18.
2. **Stride Academy**- online personal learning that can be accessed at any time and matched to the students individual skill needs in math, reading and science.

**Power Hour** helps drive positive outcomes for youth in the area of academic success by extending learning beyond the school day. It offers a structured time and place for Club staff and volunteers to help members **complete their homework** – and start each school day better prepared and with a sense of confidence and competence. In addition, Power Hour offers small-group or one-on-one tutoring assistance for members identified as needing additional help with specific subjects or skills.

Beyond the academic benefit, consistent homework completion helps young people develop **valuable organizational and interpersonal skills** – including time management, prioritizing, task completion and working cooperatively with others. These skills are necessary for achievement in school and are a foundation for a successful life.

**Stride Academy**, a perfect addition to Power Hour, is a web-based, motivational education program for PreK-high school accessible 24/7 on PCs, Macbooks, and tablet devices.

Created for and aligned directly to the **Common Core State Standards**, Stride Academy curriculum delivers online individualized practice tailored to each Club Member's needs in an interactive and engaging video game format.

Stride™ adaptive technology automatically engineers a customized learning plan for each student as they practice skills. Stride drills deep to discover and remediate the exact standards where the student is struggling. Repositioning the student where he or she can succeed –even several grades lower – builds the foundational skills needed to advance up to grade-level mastery... and beyond. Along the way, Stride Academy delivers video lessons and printable study guide pages to target weak skills, and delivers teachable moments through educational rationales for every incorrect answer choice. Club members are never, at any point, aware of the grade level at which they or their peers are performing in Stride Academy – a great equalizer in the Club setting.

## CareerLaunch:

CareerLaunch is BGCA's job-readiness and career preparation program for teens. It provides fun and interactive activities for youth ages 13 to 18 to explore a broad range of career areas, match their interest to career clusters and identify the skills and education needed for their particular career path. CareerLaunch is designed to support youth in preparing for their first job, internships, summer employment and so much more!

Career Launch includes fun and engaging high-yield activities that encourage career exploration, promote skills development and foster work-based learning experience. The Teen Tips booklet complements the program by offering tips on securing that first job, summer employment, internships and planning for postsecondary education and career success.
